Accommodation

The interior space is accessed via the large sliding perspex, beveled hatch which allows light in even when closed. Down below there is a counter top on the Port side that houses a fresh water tap with stainless steel bowl, beneath which a 40l refrigerator is situated. On the starboard side there is a separate compartment that provides privacy for the heads compartment that accommodates the marine toilet which is coupled with a holding tank. This particular example also comes with the berth conversion kits that gives a hard backed cushion insert to make the V berth a large to provide a good sized sleeping area. This space is well ventilated as you have the opening forward facing porthole, this combined with the large sea vision style portholes make some a light and ventilated space.

Remarks :

Arriving Feb 2020.

Jeanneau Cap Camarat 7.5 WA Series 2 is a great alternative to a RIB's of similar length

because she is more spacious, has a higher freeboard keeping you dry, provides flexible and social space around a table and gives you modest overnight accommodation to make cruising a real possibility. This is an extremely versatile boat that is family friendly with its high guard rails and walk around decks making it safe for all aboard. This model also benefits from having a lifting sun beds on the bow, electric windless, marine toilet complete with holding tank and a cabin for overnighting or sheltering from the weather.

This particular example is well equipped with: a striking Blue hull, Yamaha 300hp Fly-By-Wire Engine, Bow Thruster, Teak Decks laid in the Cockpit and Swim Platforms, Upgraded Teak Cockpit Table, Premier Pack, Double Berth Conversion, Opening Deck Hatch, Sea Toilet with Holding Tank, Ski Arch, Mooring and Anchoring kit to name but a few of the options in this boat,
