Remarks :

Offers over £95,000 - This Popular Jeanneau Sun Odyssey 349 Yacht is the latest model introduced in 2016 designed by Marc Lombard for Jeanneau.

The Popular Twin Wheel Configuration follow's the rest of the Jeanneau Sun Odyssey range. Designed for sailing with few hands providing an exciting sail experience for Skippers of all levels.
Benefiting from the latest technology in hull design featuring prominent hull chine for added performance, stability and control. Another benefit of this hull design can be seen in the accommodation below.
Further stability and enhanced handling has been achieved through the use of the advanced Prisma Process. Producing injection laminated decks resulting in less deck weight and reducing the requirements for a heavy keel.

The Jeanneau 349 features twin rudders ensuring excellent control whilst sailing at any angle. Resulting in enhanced safety whilst sailing.

Benefiting a CAT A award, The Jeanneau Sun Odyssey 349 provides enhanced safety when

caught out in difficult conditions.

This 34ft yacht has a surprisingly spacious cabin area below deck, with large ports in the hull affording ample natural lighting. The modern design of this yacht offers ample locker and storage space.

The accommodation is refined with fine teak laminates and trims of solid polished wood, finished with flooring of laminated light oak. The accommodation is highlighted throughout with high quality LED lighting.
