Cooker oven with 2 burners

Galley sink

Remarks :

Table View is a impressive and well maintained example of a Granada Atlantica 375 she is a very high quality Danish builder (Granada Yachts, Gesten, Denmark) and from the drawing board of Christian Rode. She has all the character and excellent sailing qualities typical of the Scandinavian cruiser racers of the time, a legacy that was continued by Sweden Yachts, Arcona and X-Yachts. Her powerful but easily handled sail plan makes her a fast and safe passage maker while her warm teak interior provides a welcome and relaxing place for the family at the end of the day.

Tableview has been continuously updated and carefully maintained through out her current ownership of 12 years including recent additions of a DSC/AIS Radio, TacTic wireless instruments, sail drive service, recent standing rigging etc etc.

Tableview represents excellent value and a lot of boat for the money, once seen you will fall in love with her. Afloat Lymington and ready to sail away - marina mooring by negotiation.
