Southerly 115

Broker Remarks

'Tara Wera' Is a Southerly 115 lift keel cruising yacht. A highly regarded yacht offering the perfect combination of comfortable cruising, excellent accommodation and the exceptional versatility of Southerly's renowned variable-draft lifting keel.

Built by Northshore Yachts, the Southerly 115 is a substantial and capable cruising yacht that is equally at home on coastal passages, extended cruises and exploring shallow waters and drying harbours that would be inaccessible to many other yachts her size. 'Tara Wera' offers spacious and practical accommodation, with a light and comfortable interior designed for extended time aboard. The flexible layout provides generous living space, comfortable berths and a well-equipped galley, making her an excellent choice for couples or families looking for a capable cruising yacht.

The Southerly 115's lifting keel is a standout feature, allowing the yacht to combine deep-water sailing performance with the freedom to explore shallow rivers, estuaries and drying moorings. With the keel raised, she can take the ground upright,

whichopens up a huge range of cruising opportunities.

With her distinctive blue water-inspired design, robust construction and impressive reputation for seaworthiness, the Southerly 115 remains a highly sought-after cruising yacht.

'Tara Wera' has been well maintained over the years and is ready to sail. If you would like to arrange a viewing please contact Douglas Ross on 07469972705.
