Maxum 2400

Broker Remarks

PART EXCHANGE & FINANCE AVAILABLE

Kismet is a 2004 Maxum 2400, a versatile sports cruiser offering a great balance of performance and comfort. Powered by a Mercruiser 5.0L V8 petrol engine with sterndrive leg, she benefits from a recent service in April 2025 when the anodes were also replaced, and the hull was freshly antifouled.

On deck she features a sociable cockpit layout with U-shaped seating, helm station with full instrumentation, and a swim platform with boarding ladder. Below, the cabin provides practical weekending accommodation with a convertible V-berth, galley, separate heads compartment, and useful storage throughout. Kismet is well-suited for coastal cruising, family trips, or relaxed days on the water.
