Remarks :

Elizabethan 35 for Sale. An elegant, fast, seaworthy fin and skeg cruiser-racer. She was originally designed as a competitive racing yacht designed by Holman and Pye, but like many other racers from this era, she now makes a very good fast cruising yacht. Although accommodation is smaller than in most modern yachts, excellent handling and very seaworthy.

Engine replaced with a new Nanni 3.75 HE in 2002 (400 hours)
