Remarks :

'SPRING SALE'
To get to and from your fishing locations as fast as possible - carrying a full set of equipment and a compliment of friends - that is the mission of the OSTREA 600 sport-fishing pilothouse. For that, you can count on the legendary sea abilities of Ocqueteau motorboats and their IFH hulls made of a glassfibre/wood/honeycomb vacuum infused sandwich.
The full flat deck around the pilothouse makes it one of the best fishing outboard powerboats of the moment.
