Accommodation

The main saloon is entered via the companionway which has a two piece lockable teak washboards. There is a GRP sliding cover.

Below decks the accommodation is traditional in style with a well-made, cosy, comfortable and safe feel.

Four steps down and you are in the galley and chart table area.

Under the companionway steps is an easily and fully accessible well maintained Bukh 36HP engine.

Saloon:

A further step down and you are in the saloon with 7/8th of an inch thick solid teak flooring throughout the boat.

The first thing that strikes you is the headroom which in places is 7 feet.

The saloon has teak woodwork throughout with a stainless steel charcoal burner, two brass lamps, a bell and brass clock and barometer and stereo speakers mounted on the main bulkhead.

The seating is on settees/berths to port and starboard of a central teak dining table with fiddles.

Copious cupboard storage to both port and starboard and behind and under the settees and there is a bookshelf to starboard.

There is also a drinks cabinet and storages for glasses commensurate with the traditional feel of "Poldeaux".

Ample teak handholds.

Galley to port with three burner hob and oven with gables. Stainless steel sink with hot and

cold pressurised water from mixer tap. Top opening fridge with the compressor in cockpit locker. Extensive galley storage for round the world cruising, worktop fiddle.

Heating and hot water: Stainless steel Hampshire charcoal burner heater mounted on main bulkhead.

240v and engine take off calorifier to supply hot water to galley tap and heads tap/shower

Saltwater supply and tap

Wooden cover for sink.

Chart table:

Chart table and navigation area to starboard of the companionway. A comfortable and snug seating area where the navigator/skipper can take cover from the elements.

Teak chart table with ample room for 1/2" admiralty charts, and maple folio charts.

Battery bank under seat

Engine start and associated gauges

DC and AC control panels

Navigation light red/white

Shelves for storage of almanacs, tide tables, etc.

On the aft bulkhead is a wet locker for lifejackets

Electronic outputs for NMEA to a lap top or other device

Victron battery monitoring display with wifi connectivity

Sony FM/LW/MW domestic radio

Comar CBS200 class B AIS transponder

Raymarine C95 E70011 9" MFD

Raymarine DSC VHF

Raymarine ST60+ Graphic display

Vesper Marine xb8000 class B AIS transceiver with wifi connectivity (New 2018)

NASA Marine series 2 Navtex receiver

240v sockets

12v sockets.

Forecabin:

In the bow through a short corridor with large wardrobe to starboard and heads compartment to port is the fore cabin with double berth and infill. There are large storage cupboards and shelves to port and starboard and deck hatch for natural light and ventilation. 12v lighting and socket and 240v socket

Sail, warp and anchor lockers under the berth

Access to forward anchor locker.

Heads:

Forward and to port of the saloon is the large heads compartment with Jabsco sea toilet with porcelain bowl (Pump mechanism replaced 2019).

Hand holds, hatch and large mirror

4 large cupboards and unit with round stainless steel sink with hot and cold water shower/tap

Teak shower grid with shower sump below with electric pump out.

Remarks :

"Poldeaux" - Tradewind 35 with stainless steel bow sprit built 1984, Masthead cutter, GRP hull and deck, long keel with rudder hung on the aft edge, Bukh 36HP diesel three cylinder inboard shaft drive, engine well maintained and serviced annually, engine spares, yankee cut headsail with foam luff, Sanders mainsail, Quay sails stay sail and storm jib, Lewmar winches, wheel/emergency tiller steering.

Poldeaux has benefited from constant modernisation and updating include new Raymarine

2014 C95 MFD and HD colour radar, New Hydrovane 2015 steering, new 2016 headsail by Hyde sails with foam luff, new 2018 Victron battery monitor with wifi connectivity new 2018, new 2018 Vesper marine Xb8000 class B transceiver with wifi connectivity, new 2019 sprayhood by C & J to name but a few.

Her fully equipment is listed under "inventory" and is set up for short handed sailing having mostly sailed to Northern France, South Brittany and the Isle of Scilly. In 2016 she circumnavigated the UK, most of which was sailed single handed, she is sea kindly and safe and equally at home coastal cruising or for weekends in comfort in the Solent

This Tradewinds 35 is a very well maintained and updated example of this go anywhere blue water cruiser which has become a firm favourite in the Golden Globe Round the World Race or equally at home coastal cruising or weekends in comfort in the Solent. She has been thoroughly updated by her current owner who has owned her for 15 years. Owner is purely selling to down size.

Viewing by appointment and she won't disappoint.
