Remarks :

Electra offers a potential purchaser the unique opportunity to own a one off traditional long keeled blue water cruising boat. The hull, deck and superstructure were built by Trident Marine Ltd as a Trident Marine Challenger 35 with the custom interior finished by Bucklers Hard Boat Builders Ltd for the propose of being a blue water cruiser. She was originally commissioned and meticulously fitted out for the boat yard owner and has since been in current ownership with her second owner for the last 17 years. The quality of the Teak and American Cherry joinery is superb and her layout is ideal for extended cruising.

Currently ashore at Northney Marina, Hayling Island wiewing is highly recommended please contact Simon Flowers of Network Yacht Brokers Chichester on 02392 637 466
