Beneteau Beneteau Oceanis 343 Clipper

Broker Remarks

This Beneteau Oceanis 343 Clipper 3 cabin lifting keel yacht has had 2 careful owners from new, comes complete with an extensive inventory, is in excellent condition and ready to be sailed away. The lifting keel option is of huge advantage to those looking for a flexible cruising boat. Drawing just 1.5m in the up position and the option to drive the boat out of the water and you can explore the coastline at low tide, making beginning anti-fouling a breeze.

Our clients have enjoyed sailing this yacht for many years. She was always bought as a second hand boat. They planned to upgrade to a larger boat once they were more accustomed to sailing. We are only sorry that we have just purchased the larger yacht. She is a very easy boat to sail and can easily be sailed short or single handed.

Currently ashore in Northney Marina, Hayling Island she is available for viewings contact Simon Flowers from Network Yacht Brokers Chichester directly on 02392 637466
