Remarks :

"COLUMBINE" 9 TON HILLYARD CUTTER RIGGED. Built in 1960, in mahogany. Long external iron ballast keel. She is a beautiful example of a Hillyard from the famous David Hillyard's yard in Littlehampton.

She is very well presented and has benefited for large number of upgrades in recent years such as, New Beta engine, new cooker, new heads, Raymarine i70 display, Garmin DSC VHF and pressurised hot & cold water.

Viewing is highly recommended as she must be one of the nicest examples currently on the market. She is afloat in Birdham Marina and ready to sail away.
