# Moody Moody Grenadier 119

## Broker Remarks

The Moody Grenadier 119 is an impressive powerful blue water cruising yacht. Encapsulated long keel with rudder and skeg centre cockpit and full teak decks. This is a very robust and seaworthy cruising yacht built to Lloyds 100 A1 specification. Moody only made a handful of them due to the cost of production so this is a rare opportunity to buy one of Moodys best boats.

The centre cockpit makes for a spacious cabin making excellent use of space. Her headroom is second to none. Grenadier benefited from a full 1 register deck.
