Accommodation

Remarks :

The BRIG Eagle 8 is an evolution of BRIG's Eagle 780 luxury family sports RIB, and with its contemporary styling, sociable layout and unparalleled sea-keeping it has everything in place to become a design classic. This Eagle 8 has been carefully customised by Blackrock Yachting. Rigged with the impressive Suzuki DF350HP ATX duo prop engine it delivers a superb performance being able to exceed 50 knots. Its deep 'V' Hull, modern console, luxury helm and forward-facing bench seats ensure a safe and comfy ride without compromising its sporty performance.

The stunning appearance of this Eagle 8 is achieved with Military Grey ORCA Hypalon fabric impression tubes with Black rubbing strake, a White hull, Black luxury weatherproof Silvertex fabric upholstery and Grey SeaDek non-skid decking with Black caulking. The large cabin, hull and deck are designed to maximise storage while a large aft table provides a convivial seating area where family and friends can relax when at anchor.

In addition to the already comprehensive inventory that comes as standard with the BRIG Eagle 8, we at Blackrock Yachting have added: an electric sea toilet; Lewmar ProSeries 316 windlass/Anchor; Fusion Apollo RA770 stereo with Bluetooth & four speakers; Garmin 95sv GPS Plotter; Garmin 110i VHF; Bimini suntop; freshwater shower system; BRIG overall cover, console and seat cover; and bow sundeck - making this RIB one of the highest specification Eagle 8's on the UK market.

Custom SBS R4/300EL trailer available on request.

All Blackrock BRIGs come with a 10-year warranty on hull, a 5-year warranty on tubes, 5 years' warranty on Suzuki engines, and a 1-year warranty on fixtures, fittings & accessories.
