Mechanical and Rigging

This 895 Offshore is powered by twin Yamaha F200GETX (2x 200hp) Fly-by-Wire that provide the helmsman with smooth shifting and very tactile controls.

There is the option to reduce this engine package to twin Yamaha F150GETX Fly-by-Wire that would result in saving of £6,040 inc VAT

Accommodation

Master Cabin

There is a large 2m long island berth double in the master, forward cabin that also has a large storage under the berth. This cabin has a large amount of light coming in from the long sea vision inspired portholes and the deck hatch which allows for ventilation. This cabin also has the option extra overhead storage lockers fitted and has a hanging wardrobe on the Portside. This cabin also has ambient, in direct LED lighting as part of the Premier pack.

Second Cabin

The second cabin is situated on the port side, has a generous sleeping area, good natural light from port hole as well as from the sky light and also incorporates a seat. Under the berth is additional storage as well as a hanging cupboard.

Heads

The marine toilet is situated on the lower level in front of the helm station. In this compartment there is a marine toilet, sink, pull out shower with a shower pump.

Remarks :

The Merry Fisher 895 Offshore Legend builds on the success of this popular range but offers some significant benefits over its smaller siblings. With two separate cabins, including an impressive centre island berth forward she offers significant accommodation, has a hot water systems with a shower allowing for an owner to embark on extended cruising. This Offshore version has larger fuel tanks and a reinforced transom to accommodate twin engines with Fly-by-Wire Yamaha engines which results in a CE category B rating giving her Offshore capabilities. This model is very popular and sells out well in advance to the season, this boat will be available for April 2020, so if this is vessel is of interest don't delay and contact us today.

* Please note images of sister vessel some option may vary in the pictures and instruments are omitted to allow a customer to customise.
