This rare Australian beauty has just come on the market. 'Penguin' is a blue water cruiser offering with real performance and comfort and the ability to go anywhere. She is fully equipped for blue water cruising. The famous Zandavich yard created this beautiful sleek ocean crosser in 1987 and she has been well maintained and updated throughout her life. Her teak deck which was put on in 1995 was refurbished in 2010. She can sleep up to 9 and has a very practical layout for long distance cruisers.
