## Sadler 26

### Broker Remarks

The Sadler 26 bilge keeler is an all time classic. A really good sailer that can cope with heavy weather while the bilge keel allows exploration of the shallowest of places. The accomodation and deep cockpit will keep the crew happy on the most demanding cruises . Braemar is a well kept boat and will not be on the Market for long.

## Accommodation

The Sadler 26 provides berths and storage for a crew of 6 for extended cruising. She has a well laid out galley and a separate heads. The forward berth is very spacious and the rear berth is a fair sized double. The saloon is very large for a 26 footer .
