Accommodation

The Maxi 1000 can sleep 7 . The forward cabin is in a twin v berth but can be filled in to form a good sized double. The port side saloon berth converts to a double with a single starboard seat berth. The rear cabin provides a good sized double berth. The galley has a oven with hob, grill , sink and storage. The heads is large and practical with a vanity unit hot water and a wet locker.

Remarks :

This Pelle Peterson designed classic has a well earned reputation for being an excellent fast cruiser which has been known to do very well at the local races.
She sleeps up to seven in two cabins and the converted saloon berths and with a large galley area and practical heads she is ideal for extended cruising. Her Swedish heritage comes through in the quality of her wood interior which gives an air of quality to the Maxi 1000 not found on Beneteau's, Jeanneau's and Bavaria's.
'Baloo has had two owners from new and has been well looked after. She has just been anti fouled and had her engine serviced so is absolutely ready to go for this season.
She had a new fully battened main in 2012 and all sails are in good condition.
She can be rigged for a self tacking jib and all lines lead back to the cockpit for easy short

handed sailing.

She is equipped with Auto pilot, GPS and radar.

This is a nice example of a MAXI 1000 and she is ready to go for this season.
