## Accommodation

The Viking Marin 285 Pilot sleeps four in two comfortable cabins . The fore ward cabin has a full sized v berth , hatch, and hanging locker. The rear cabin has a good sized double ,opening window and a hanging locker. The saloon is light and airy with a large dining table. The galley is practical with a fridge, 2 burner stove, sink with hot water and an attractive corian work top. The heads have a shower head, sink with corian top and storage shelves.

## Remarks :

The Viking Marin 285 pilot is a very stable sea going motor yacht powered by twin Yanmars that give her great performance. She is especially well fitted out with first class joinery and fittings throughout, including full teak decks, this gives her a warm quality feel . She is a practical boat with two helm positions ,walk around decks , bathing platform and a cushioned seating area foreward. So if your after a motor yacht for fast fun , weekend or extended cruising with the occasional fishing trip then the Viking Marin 285 pilot could be your perfect boat.

She has all the comforts that will keep the most demanding crew happy, hot water showers, good sized heads, galley with fridge and a hot air heating system. She is also equipped with full navigation gear including a large screen Raymarine plotter, Radar, and autohelm.

She was constucted by Turkey's most prestigious Yard from a John Moxton design and the high quality finish really adds to her charm.

She easily competes with and betters the Botnia Targa, Nordship, and Seaward ranges .
