Accommodation

The Cox 27 motorsailer sleeps four in 2 cabins. The heads are spacious with a sink ,vanity unit and hot water shower. The raised saloon is light and spacious with a dining table. The galley is practical with a two burner oven and grill.
She has a good deep cockpit .

Remarks :

We are pleased to list this Cox 27 motorsailer, she is in very good condition throughout having been exceptionally well looked after by her present owner. This Cox 27 Motorsailer was built in Brightlingsea by Cox Marine in 1990. She is triple keeled which makes her a safe stable craft to sail and allows her to take the ground easily .

She has wonderful accommodation with a twin berth forward and a double in the saloon. The coach house gives is bright and airy with all round visibility.

She was built with an emphasis on strength, comfort and quality and will give her new owner easy sailing and peace of mind.

She is the sort after twin helm version with a wheel in the coach house and tiller in the cockpit. The Cox 27 is a superior motorsailer to an LM 27 or Fisher 25.
