Accommodation

The forward cabin has U shaped seating with a removable dinning table, which converts into a large double . She has a separate heads with sink and Jabsco toilet. The galley has a twin burner stove with grill and a stainless steel sink. The sink and stove have folding covers which act as a work top.

Remarks :

'Sea Fox' is a Seaward 23 for sale in Lymington ,Hampshire. She is in extremely good condition throughout having been well looked after and updated by her present owner. She is the more popular twin 75hp version with economical Yanmar 4JH 4 cylinder engines. The engines have low hours and have been regularly professionally serviced. The Seaward 23 sleeps two in the forward v berth which converts into a double and also has a dinning table. She has a separate heads with sea toilet and sink. Her galley is well laid out with a stainless steel sink and twin burners with grill. She also benefits from an Eberspacher hot air heating system.

She has a deep safe and dry cockpit with plenty of seating. She also has a full cockpit tent with all opening sides.

'Sea Fox' has a stainless pilot rail for ease of movement around the deck.

This is a great example of these well built solid motor cruisers.
