Remarks :

This Westerly Berwick 31 now for sale in Lymington ,Hampshire is in overall very good condition. She had a new Volvo engine in 2010 along with a new boom for single line reefing, new winches and several other upgrades.

The Westerly Berwick is known to be a sound sturdy cruiser sharing the same hull as the Longbow, Pentland, Renown and Westerly 31. She is one of the last five Berwick's built all of which had the Fulmar layout as standard. 300 Westerly Berwick bilge keel yachts were built and they are much sort after as comfortable , good capable cruisers .

'Sanuti Too' has been well maintained by her current owner. She has pressurized hot water, a Waeco fridge, and a good oven with two burners and a grill. Along with the new engine in 2010 she had a new fuel tank,prop,prop shaft and two winches.

She can be viewed in Lymington at anytime.
