Power steering, full engine instrumentation, compass, electric and manual bilge pumps are standard, and in the spacious cabin is the dinette for four people which converts into a double berth and an aft cabin with another double berth.

n

Remarks :

The Lema Clon S is a hugely versatile fastfisher/cruiser available now with Network Yacht Brokers Swansea. This particular boat has the very popular inboard diesel engine together with the duoProp outboard. Incorporating and enclosed heads and sleeping for 4, this really does tick all the boxes.

Px available on this boat
