### Accommodation

The yacht was principally designed for living aboard and cruising and has ample and well placed storage throughout.

Owner's cabin forward with ensuite W.C. with shower and bidet.

Two twin guest cabins with one well equipped W.C.

Crew cabin with independent W.C.

The interior wood panelling is predominantly made from light American oak with the exception of the galley and pilothouse console which is made from ceruse teak. The bathrooms additionally feature mother of pearl tiling.

All the exterior upholstery was renewed in 2008.

## Remarks :

Singas is a fantastic all round yacht incorporating clever design and well balanced proportions. Of contemporary Italian design and construction, her original inspiration stems from a lobster boat format delivering a wide range of speed, autonomy, efficiency and superlative sea-keeping qualities. She is the semi-customised result of the collaboration between the owner and the Franchini yard, and hull no.4 in the Emozione 55 series. A one owner yacht, Singas has been skipper maintained since new, while the owner has made full use of her extraordinary abilities in cruising her and improving some points to create an even better yacht. She has a range of toys and equipment that would flatter bigger yachts and a look that sets her apart and catches the eye of anyone that appreciates a yacht of stature and quality. Singas is absolutely ideal for long cruises with family or friends, day or fishing trips - she has the perfect versatility to access shallow bays after a high speed cruise or to stay stable in an open mooring after a long cruise. Singas is readily available for viewing and naturally we encourage this to fully appreciate her.
