Guard wires renewed

## **Accommodation**

### **Accommodation:**

#### **Forward cabin:**

The forepeak has two berths with a shelf each side for stowage, hanging space and under-bed stowage for sails and the water tank. There is a hatch opening to the foredeck.

#### **Saloon:**

Spacious with 1.92m headroom; it has two bench seats that can be used as berths and a fold down table to seat six. Both berths are fitted with a lee canvas and there is under bunk stowage. The main hatch opens to the coachroof and provides ample light. There is a FM radio and CD player.

To starboard there is a generous aft-facing chart table with stowage for charts, a locker for

pilot and other books and a rack for pencils and so on. The chart table light has been replaced with a flexible LED white/red lamp (2013).

**Galley:**

Situated to starboard, the galley has a single sink with mixer tap on the pressurised water system. There is ample stowage for crockery behind the cooker as well as stowage under the work surface for canned and dry foods. The cooker was upgraded from an ENO with two burners and grill to an ENO two burner unit with oven in 2013. The galley is equipped with a Jeanneau crockery and cutlery pack. Safety features in this area include a fire blanket, 1kg dry powder extinguisher and a CO monitor and a gas detector. There is a 12v refrigerated cool box. To increase the work surfaces for preparation, a teak fold-down flap was fitted in 2014.

**Aft Cabin:**

The main cabin is aft, fitted with hanging space, a generous double bunk and shelf space. There is under bunk stowage, access to the batteries and the engine.

**Heads:**

The heads to port is fitted with a manual Jabsco marine toilet, wash basin and mixer tap which doubles as the shower head. The shower tray has a separate pump and sea cock for drainage. There are coat hooks for hanging wet gear.

LED lighting is fitted throughout the cabins, with white and red options in both cabins and at the chart table. The companionway steps provide the main access to the engine, providing good access to service points. The sugar scoop stern is fitted with shower head and boarding ladder

**Cockpit:**

The cockpit sole is teak covered. There is a collapsable table at the binnacle; the main locker is to starboard with a separate gas locker beside it that drains overboard.

**Remarks :**

'Aoife', 2004 Jeanneau Sun Odyssey 32, fin keel version. This example is in excellent condition and offers an exceptional inventory, This perfect Philippe Briand cruising sailboat is fast and seaworthy and spacious for her size. Maintained to the highest standard, she comes with GPS, Autopilot, Lazy-jacks and bag, and Sprayhood plus lots more. Well worth viewing and priced to sell.
