Domestic

6 berths in 3 cabins

Boarding the F34 via the port transom door, you have the Sealine innovative aft bench seating that extends further aft, clever storage above the cockpit for the table and also access to the side decks and flybridge.

Moving in to the main saloon, to starboard is the L-shaped seating and opposite to port is a 2 seater sofa that pulls over to make a 3rd double as and when required and cupboard. Further forward to port is the galley and opposite this is the inner helm position.

Down the companionway you find 3 doors, to starboard is the door to the double mid berth cabin with new custom mattress and to port is the heads compartment. In the bow is the master cabin with an island double berth and plenty of storage.

Remarks :

The Sealine F34 Motor Yacht is an amazing design. Sealine have used innovative technology to create a boat that offers exceptional living space with the added benefit of a fly bridge for the sunny days, and extending rear sundeck allowing plenty of room for entertaining guests or just relaxing and enjoying yourself with family. Pingu has been well maintained by a loving

owner and is presented in a very clean and tidy state, recently having a full valet which brings out the lovely condition she is in. A viewing is highly recommended.
