Construction, Mechanical and Rigging

Construction:

The versatility and stable hull makes 28 C an excellent cruising & multi-purpose boat. Wide side doors and a deep walk-around deck allow safe movement throughout, particularly when under-way. In the fore cabin and in the centre cabin below the saloon there are two full-size sleeping berths. The complete aft door assembly can easily be opened to make the boat spacious and airy. There is ample room in the cockpit to accommodate a table for outdoor dining and entertaining.

Access to the aft berths via an electrically operated raising floor section.

Remarks :

This Aquador 28C has been wonderfully kept. With astonishing woodwork and upholstery in the interior it most definitely does not look almost 10 years old. The Aquador 28C is well known for its versatility and stable hull making the 28 C an excellent cruising & multi-purpose boat. Wide side doors and a deep walk-around deck allow safe movement throughout, particularly when under-way. The owner has a fantastic service history to go along with the boat. A fantastic boat for a family, with four large berths in a very unique accommodation area.

Come and see 'Merlin' today.
