Construction, Mechanical and Rigging

Construction

The Antares 7.80 is a very competent boat designed by Sarrazin. The ideal boat for quick day breaks or short cruises. Comfortable, smart and functional, the design focuses on ergonomics and layout to make life easy on board. This is a versatile multi-programme boat.

Anti-fouled July 2015.

Mechanical

A 2015 Suzuki 150 GTX Leanburn outboard is on this lovely Beneteau Antares, only 54 hours. Last serviced in February 2017 producing a top speed of close to 40knts.

Two engine services and winterization, 2015 and 2016. Invoices can be provided upon request.

Electrics

2x batteries
Shore power
Complete 220v electrical system

Inventory

Navigation Equipment

Compass
Speed
Lowrance HDS 7 Gen2 Touch multifunction display (2015)
Lowrance HDI Sensor. The HDI transducer is capable of producing both traditional sonar image and a Lowrance DownScan Image.
Lowrance GOFREE WiFi-1. The Wi-Fi-1 is a marine-grade wireless gateway that allows owners of HDS Gen2 touch display units to view data when utilized in conjunction with a wireless device, allowing multiple tablets or smartphones to be used to view Lowrance network data.
Sonic Hub
Duel Speakers
VHF - Lowrance Link 8 DSC

The Lowrance HDS (Upgrade) is a combined sonar, GPS and plotter connected to Wi-Fi for iPad mirroring of plotter and sonar screens. In addition, a Lowrance iPod dock with dual speakers and bluetooth connectivity is also installed.

Deck/Safety Equipment

Windlass anchor (Electric)
Fenders
Boathook
Cockpit cover (Full)

Remarks :

The Beneteau Antares 7.80 is the ideal boat for quick day breaks or short cruises. Comfortable, smart and functional, the design focuses on ergonomics and layout to make life easy on board. This is a versatile multi-programme boat suited to all your needs. With only 57 hours on the 150hp Suzuki engine she has and having been serviced every year, she has been well looked after by her owners. Kitted out with nearly every option possible she is one of a kind and a real eye catcher on the water. Viewing highly recommended. There is a tender and outboard available at extra cost of £900 these items are not included in the inventory.
