

## A large, modern motor yacht with a white upper hull and dark grey lower hull is docked at a pier. The yacht features a curved windshield, stainless steel railings, and two large white radar domes on the roof. It is moored next to a white and black dock structure. In the background, a hillside with houses and trees is visible under a cloudy sky. A red diagonal graphic element is present in the bottom right corner of the image.

REF: 073757

## Construction, Mechanical and Rigging

### **Construction:**

Fairline Targa 50 Gran Turismo, built by Fairline UK in 2012 (2012 Model)  
Design, layout and detailing by the Fairline Design Team.  
Naval architecture and structural engineering by Bernard Olesinki.  
GRP hull, deck and superstructure  
Planing hull  
Steel blue hull colour

### **Mechanical:**

Powered by twin Volvo Penta D-11 670hp diesel engines. Complete service history and serviced last in Spring of 2018  
Shaft drive with bronze propellers  
Bennett trim tabs  
Side-Power Bow thruster  
Side-Power Stern thruster  
Onan 17.5kva Generator

### **Electrical System:**

• All 240V, 24V and 12V circuits (where applicable) protected by circuit breakers with main electrical load control panel • Emergency VHF radio - 12V power supply • Onan Generator 17.5kW • Heavy duty circuit breakers • Isolating switches to all batteries

12 Volt

- Voltage dropper from domestic batteries

24 Volt

• Batteries - 2 x heavy duty batteries exclusively for port engine starting • Batteries - 2 x heavy duty batteries exclusively for starboard engine starting • Batteries - 4 x heavy duty batteries wired in parallel supplying domestic services and port engine starting • Circuit breaker for anchor winch • Emergency battery coupling system permits each engine to start from opposite battery bank • Regulated charger 100amp

**\*\*All Batteries replaced in 2018\*\***

240 Volt

• Polarity check and earth leakage protection system • Power points throughout the boat (fed from shore power or generator) • Regulated charger for domestic batteries • Shore power supply • Spare circuit breakers for additional equipment.

## Inventory

**Navigation:**

Compass  
2 x Garmin GPS Map 7012 Chartplotter  
GMR 404 Array Radar  
Garmin GHS10i VHF radio  
Garmin GMI 10 Speed and Depth  
Garmin GHC 10 Autopilot

**Deck Equipment:**

Anchor, chain and warps  
Electric anchor windlass  
Mooring warps  
Fenders  
Cockpit canvas  
Exterior LED lighting  
Teak cockpit floor  
Teak bathing platform  
Teak cockpit table  
Hot and cold transom shower

**General Equipment / Extras:**

Passerelle (Portside)  
Electric cockpit sunshade  
Electric flush toilets  
Isotherm galley fridge  
Dometic 2-Burner electric hob  
Combi microwave oven  
BOSE sound system  
Ipod/Iphone docking station  
Flatscreen TV in saloon with electric control and manual swivel  
Flatscreen TV's in all cabins  
Cummins Onan 17.5 KVA generator  
Washer/Dryer machine  
2 x TracVision Sat domes M7 KVH  
Blinds and mosquito nets throughout  
Electric saloon ceiling blind  
Tender launch system  
Crew cabin and stowage  
Reverse cycle air-conditioning/heating

**Tender:-**

Brig rib c/w Suzuki 20hp outboard engine

## Accommodation

**Overview:**

6 Berths in 3 Cabins. Forward Master Cabin with Large Double Bed, wardrobe and shelves.

Forward Master En-Suite to Master Cabin with Separate Shower. Starboard Guest Cabin with Two Single Berths, Convertible to Double Access to En-Suite / Day Heads from Guest Cabin. Port Guest Cabin with a further Two Single Beds.

Jabsco electric silent flush freshwater toilets and reverse cycle air-Con throughout.

### **Deck:**

Anchor chain locker • Anchor winch (electric) • Anchor winch controls • Bathing platform ladder • Calibrated anchor chain • Ensign and staff • Fender set • Foredeck drinks holders • Foredeck glazing • Foredeck lockers • Foredeck stowage for secondary life raft • Fuel fillers • Full set of IMCO navigation lights • Handrail • Hot and cold water transom shower • Moulded non-slip deck surface • Remote control searchlight • Riding light • Rubbing strake with stainless steel inserts • Self-stowing Delta anchor • Split windscreen • Stainless steel fairleads • Stainless steel bow, spring and stern cleats • Stainless steel bow fairleads • Stainless steel pulpit • Teak laid bathing platform • Twin horns • Water filler(s) • Windscreen washers • Windscreen wipers.

### **Helm Position:**

12V socket • Adjustable/tilt steering wheel • Adjustable air vents • Bilge pump switches with integral operating warning lights and audible alarms • Bow and Stern thruster controls • Chaise-lounge seat • Controls for engine bay fire extinguisher system • Drinks holders • Electronic single-lever throttle and gear controls for port and starboard engines • Fuel gauges • Full engine instrumentation including; tachometers, temperature gauges, audible alarms and engine hour meters • Garmin GMR 404 open array radar, 2 x GPS MAP 7012 12 Inch touch-screen colour display's • Garmin GHS 10i VHF marine radio • Garmin GM10 Depth & Log • Helm blower • Helm position indicator • High speed magnetic compass • Powered steering • Red night-light illumination to helm • Remote anchor winch controls • Searchlight controls • Switches for navigation and riding lights, windscreen wipers and engine bay extractor fans • Trim tab controls

### **Cockpit:**

12V heavy duty weatherproof socket • Access to utility room • Access to side deck • A cockpit hood with clear panels and zipped doorway • Cockpit seating with adjustable backrest • Deck level lighting • Drinks holders • Engine bay access hatch with stainless steel gas struts • Teak cockpit table convertible to sunbed • Life raft stowage • Manual bilge pump(s) • Mooring warps • Teak laid floor throughout self-draining cockpit • Twin transom gates

### **Interior Furnishings:**

• Beige leather upholstery • American dark oak satin furniture

### **Deck Saloon:**

• Flatscreen TV • Folding dining table with hi/lo adjustment • Hardtop skylight, electric

sunblind and overhead lighting • Pneumatically sealed powered hard top • Random teak floor • Sideboard with stowage • Sliding patio door to cockpit with pleated blinds • Sofa with stowage.

### **Galley:**

Worktop • Chopping board to sink infill • Crockery stowage • Electric 2-burner ceramic/halogen hob • Extractor fan • Integrated waste bin • Microwave combi oven • Overhead lighting • Refrigerator • Sink with hot and cold mixer tap • Stowage drawers

### **Lobby:**

• Access to electrical control panel • Access to master cabin, two guest cabins and day head • Handrail • Lighting to stair risers • Overhead lighting • Washer/Dryer

### **Accommodation**

#### **Master Stateroom**

• Aluminium venetian blinds • Kingsize bed with storage drawers • Escape hatch to foredeck • Feature windows with opening portholes • Full-height shelving unit • Full-height standing headroom • Lockers (overhead) • Master cabin skylight with blind • Overhead feature lighting • Reading lights • Vanity unit with leather stool • Wardrobe with mirrored doors • Flatscreen TV

#### **Master En Suite**

• 3 large hull windows with single opening port hole • 220V/240V shaving point • Automatic shower tray pump-out system • Blinds • Electric silent-flush freshwater toilet • En suite door with feature glass • Extractor fan • Full size shower with seat, hinged door and solid teak gratings • Mirror • Mirrored lockers • Overhead lighting • Random teak floor • Stowage cupboard(s) • Vanity unit locker and basin with hot and cold pressurised water.

#### **Port Guest Cabin**

• Aluminium venetian blinds • Bedside table • Feature windows with single opening porthole • Full length berths x 2 • Lockers (mid-level) • Overhead lighting • Reading lights • Wardrobe with mirrored doors • Flatscreen TV

#### **Starboard Guest Cabin**

• Aluminium venetian blinds • Bedside table • Feature windows with single opening porthole • Full length berths x 2 with sliding conversion to double bed • Lockers (mid-level) • Overhead lighting • Reading lights • Wardrobe with mirrored doors.

## Starboard Guest Cabin En Suite

• 220V/240V shaving point • Automatic shower tray pump-out system • Day Access • Electric silent-flush freshwater toilet • Extractor fan • Full set of bathroom fittings • Full standing height shower with solid teak gratings and hinged acrylic door • Mirror • Mirrored lockers • Overhead ceiling lights • Random teak floor • Stowage cupboard(s) • Vanity unit locker and basin with hot and cold pressurised water

## Engine bay and Sterngear

Aerodynamically designed engine air intakes • Automatic bilge pumps for forward bilge, engine bay and rudder bay with manual 'on' override • Automatic engine bay fire extinguisher system • Drip-less shaft seals • Electric engine bay fan(s) • Electro-hydraulic Trim tabs with cathodic protection • Engine bay lights • Engine room soundproofing • Exhaust overheat warning system • High capacity emergency manual bilge pump system with dedicated valves • Manganese bronze 'P' brackets • Manganese bronze propellers contra-rotating • Sea cocks on all inlets/outlets below waterline • Stainless steel alloy shafts

## Fuel System

Changeover valve system to permit each engine to draw fuel from, and return fuel to, either tank • Emergency fuel shut-off valves accessible via cable operated remote control • High capacity water separators and fuel filters • Individual fillers and vents to port and starboard • Twin fuel tanks

## Freshwater System

Automatic, pressurised supply • Calorifier hot water system • Water tank(s)

## Remarks :

'Eclipse', a 2012 Fairline Targa 50 GT complete with Volvo Penta D-11 670hp engines, Steel Blue hull, full Mediterranean specification, Onan 17.5kW generator, reverse cycle air conditioning, full Garmin navigation suite, transom tender launch system, 2.5m hydraulic passerelle, and a Brig Rib. Lying Deganwy Marina, North Wales. Viewings by appointment with the Conwy office on 01492 580001.
