Offset double berth in the forecabin
Fridge
Oven
Grill

Hot water
Two bowl sink

Remarks :

We present this lovely and very popular Westerly Konsort Duo. Having the luxury of either steering with the tiller at the cockpit or from inside the wheelhouse this motorsailor is world renowned. Rigging was replaced in 2015 and she comes with a great inventory. Well maintained by her current owner. Viewing by appointment, lying Liverpool Marina.

The current owner purchased Lillebolero in Gibraltar in 2013, knowing she showed signs of osmosis and transported her back to UK. The owner accomplished a complete osmosis treatment by the Hayling Island Yacht Company. This included sheathing with woven glass and epoxy resin. A survey was then completed which concluded that the treatment had been carried out to a very good standard. In all the boat was left to dry out for 18 months.
