Oven

Heads

Toilet
Sink
Shower

Remarks :

The SC35 was a corner stone for the latest Sealine design direction. Filled with natural light from skylights in the saloon, forward and aft cabins, there is an unprecedented feeling of space for a boat of this size. Cloud 9 Too in which we present has only 113 hours and a fantastic inventory ready for her new owner. Clean and tidy example, recently valeted, lying Conwy Marina, North Wales.
