Mechanical and Construction

Mechanical

2 x Yamaha 200hp Petrol outboard engines
Pre-rigging Yamaha from factory
Yamaha 6YC electronic display

Construction

***2020 Model Year. Arriving Conwy January 2020**

Designed for cruising, the Merry Fisher 895 is a true weekender. She offers an incomparably bright interior, with wide windows in the helm station and even more comfort for those special shared moments on board.

The cockpit features an L-shaped saloon, reclining seatbacks and armrests with cup holders. Both on the interior and on the exterior, the seatbacks pivot to adjust the seating to suit individual preferences.

This Merry Fisher features an opening side gate, a recessed sidedeck, as well as a very generous storage capacity. The main cabin, with wide windows, is equipped with a head with shower and marine WC.

With her clever details, the Merry Fisher 895 makes unforgettable cruises possible, perfect for sharing unique moments together as a family!

The new Merry Fisher 895 has succeeded in incorporating the most noteworthy innovations of this iconic line, with even greater comfort and more special details for future owners. She offers 2 fully enclosed and independent cabins with sea views, each brightly lit by skylights. The elegant design, the harmonious colour selections and use of space contribute to a perfect balance that makes the new Merry Fisher 895 a true reference among powerboats for coastal cruising.

Resolutely turned toward a cruising lifestyle, the new Merry Fisher 895 offers incredible sea views and bright natural lighting in each living space. The superb saloon features glass windows affording a 360° view, the magnificent owner's cabin features an island berth and windows in the hull, and the guest cabin also features a wide view of the sea, for a level of comfort that is unequalled in this size category. Ergonomic design serves to increase safety and comfort on board. The recessed sidedeck, the opening side gate and the well-sheltered cockpit are particularly safe, especially for children. The side door to the helm station remains an incomparable safety feature for the pilot, who thus has direct access to the exterior for manoeuvres.
