## Construction & Mechanical

### **Construction:**

Orkney 20 Pilothouse, built by Orkney boats UK in 2008.

The Orkney Pilothouse 20 is a British built boat with a reputation, for quality and sea going capabilities, it is the choice of professionals. With a generous beam along the waterline spray chines it offers good stability without a significant increase in wetted surface. The hull features a reasonably deep forefoot with fine forward sections and pronounced flare developing into a moderate V aft. The resulting shape, combined with a moderate beam/length ratio, results in a dry, comfortable ride in rough seas.

The fully moulded cockpit has safe high coamings and is self draining with useful stowage under hinged lids. Wide side decks with practical 'angled-in' toe rails and pilot style coach roof handrails make going forward to the foredeck simple and secure. The wheelhouse offers commanding all round views from a forward facing Helm and Co Pilot seat.

GRP hull, deck and superstructure.

Planning hull.

### **Mechanical**

Evinrude 75 Ecotec 2-Stroke outboard engine with modified prop.

Maintained and Serviced by Appointed Evinrude Dealer. (Dulas Boats Anglesey).

(This engine being lighter than a 4 Stroke equivalent gives better performance and fuel economy [better power to weight ratio]).

Engine full service June 2020

Total running from new 2008 59Hrs.

Rev Counter/ Trim Gauges

3 x 22 Litre Plastic Fuel Tanks

## Inventory

### **Navigation:**

Compass

Speed

Raymarine A65 Fishfinder/Plotter/GPS

Icom VHF Radio (2008)

Full UK charts

### Accommodation

The boat has a capacity for 4 Persons, Helm & Co-Helm Positions, Galley Area, Porta-Potti (never used), Lewmar Forward Hatch, Seating and plenty of storage. All cushions as new and still in the wrappers.

### Remarks :

The Orkney Pilothouse 20 is a British built boat with a reputation, for quality and sea going capabilities, it is the choice of professionals. This example is virtually as new (59hrs of use verified) and with the additions that have been added represents a significant saving on a new boat. The boat had a recent valet, antifouling and a full engine service. The Evinrude Outboard with a modified prop provides improved performance and fuel economy. This boat with its extensive inventory makes a formidable package, which is most suited to offshore fishing. Lying Conwy Marina.
