

Macgregor Yachts 26M

Year: 2007

Location: Conwy Marina, North Wales

LOA: 26' 0" (7.92m)

Beam: 8' 0" (2.44m)

Draft: 2.4' 0" (0.73m)

Remarks:

For sale, a well-maintained boat has been purchased due to relocation overseas. The boat has a lot of new equipment; however, it was not used for a long time. The interior layout is spacious and comfortable, with the added bonus of being towable.

Remarks :

For sale, a MacGregor 26M purchased July 2020, relocation abroad forces sale. The boat has been extensively overhauled during 2020 adding in excess of £7,000 worth of new equipment but was never launched due to COVID-19 restrictions and lockdown. The majority of electrical installation was replaced and/or upgraded. A new Raymarine Axiom MFD navigation system with Raymarine EV-1 Autopilot system was installed as well as a new ICOM VHF Radio with AIS. A 125W Solar Panel with Victron Solar MPPT 75/15 charge controller, a new Victron 130AH house battery, and a Victron Battery Alarm were also installed. The boat now enjoys a mains electrical shore hook-up and is fitted with a Victron Blue Smart IP22 Charger 12v/30a (3 outputs) maintaining both the starter as well as the house battery whilst docked. The electrical switch panel was replaced with an 8 way Blue Sea System Circuit Breaker Panel. The interior has been fitted with dimmable LED light strips creating a warm atmosphere and benefits from a Tesla style 12.2" Android 9 IPS Universal entertainment system supporting things such Spotify, BBC, ITV catchup etc i.e. any Google App. The daggerboard is brand new as the previous owner caused damage beyond repair. The majority of lines and halyards were replaced with Samson MLX3 lines in 2021.
