Accommodation

The cockpit consists of two decent sized U-shaped sofas to port with a bar unit behind the helm to starboard. The helm itself accommodates an E120 chartplotter. The helm area is simple yet effective with a double seat easily wide enough to seat two comfortably.

Down below, the forward cabin comprises a very respectable 4ft 11in wide double berth and walk-in wardrobe.

In the saloon there's a large 'U' shaped settee to starboard with high backs offering plenty of support.

The mid cabin has plenty of headroom with a good-sized locker and the twin berth design slides forward to make a double without any need for extra cushions. Hanging wardrobe.

Heads:

Electric heads
Sink with pressurised hot and cold water
Shower
Mirror

Galley:

Eno 3-burner gas hob
Integrated fridge with ice compartment
Microwave
Sink with pressurised hot and cold water

Saloon:

Beige leather upholstery
Cherry wood interior construction
Adjustable table with berth conversion
LG TV
Webasto heating control
CD Player c/w speakers
