Remarks :

Here is Zephyr II, a sought after and superb lifting keel sailboat by Jeanneau. The Sun Odyssey 29.2 is built for family cruising, easy to handle for either a crew or single-handed sailors. This example is the best we have seen, clearly, a lack of use throughout her life and this is easy to see both in the accommodation and deck. 2 owners from new, first in Windermere and now at Conwy, this boat has had a very pleasant life and is ready for the next owner. Copper coated, serviced and ready to go.
