Jabsco manual toilet  
Separate heads with shower and drain pump  
SMEV two-burner hob

## Remarks :

We present, Sirena, a lovely and popular Beneteau Antares 760. The boat and engine are in good condition and everything works. Some stickers and strips on the wheelhouse need replacing or removing in the near future as normal with this age of the boat. Sirena was surveyed back in February and all work undertaken apart from the windlass.

A recent reduction takes into consideration the cost of replacing the broken windlass.

The boat is fitted with a Volvo D3 190hp engine with 1434 hrs. Volvos D3 is based on the XC60 car engine. 1434 hrs equates to 25,812 miles. Both fuel filters have been changed 21/3/2021. The interior has been fully cleaned out and all upholstery and curtains washed.

T

The boat is currently being used and the hours may go up slightly.
