Mechanical and Rigging

Engine and Electrics

The vessel is pre-rigged for Yamaha from the factory. We have specified the price with a popular 2 x 200hp Yamaha option, this includes a 5-year warranty from PDI and registration. Flush mount single lever engine control. Sports steering wheel. 280 litres fuel capacity in rotomolded tank. Fuel is pre-filtered before entering the engine.

12V system. Shore power connector with a battery charger.

Full antifoul is included in the price.

Construction

GRP constructed motor cruiser with hard chine giving greater stability both at anchor and at speed. Flared transom. Smart, metallic charcoal hull decals. Transom with teak laid individual bathing platforms port and starboard and a stainless steel handrail.

Large self-bailing cockpit with sliding aft bench and cockpit seating with cushions. GRP wheelhouse with curved toughened glass windscreen. The boat has been specified with twin wipers and a washer system. The side windows are with inset sliding opening windows. Additional opening hatch in the wheelhouse roof increases air circulation and additional natural light. Mooring cleats fitted fore, aft and quarter. Anchor with chain and warp included. Fenders and dock lines also.

Inventory

The new 2022 895 is currently specified with the following options (These can be changed pre-build, please contact us for more information). This is a good spec and will allow for comfortable cruising with friends and family.

- Trim level Premiere 2020 which includes midship cleats, sliding hatch in wheelhouse roof, sliding opening window, cockpit cushions for the aft bench seats, 2nd electric windscreen wiper, screenwash system and cockpit shower
- Electric windlass
- Mooring lines and fenders
- Anchor with chain and warp
- Cockpit sun awning - graphite colour
- Interior curtains
- Teak laid swim platforms
- Bathing ladder
- 220V shore power with battery charger and water heater
- Luxury galley with gas stove
- Hot water shower in heads
- Fridge 40L

- Double berth conversion for dinette
- Marine toilet with holding tank
- Yamaha pre-rig including CL5 Display

Accommodation

Master Cabin

There is a large 2m long island berth double in the master, forward cabin that also has large storage under the berth. This cabin has a large amount of light coming in from the long sea vision inspired portholes and the deck hatch which allows for ventilation. This cabin also has the option of extra overhead storage lockers fitted and has a hanging wardrobe on The Portside. This cabin also has ambient, indirect LED lighting as part of the Premier pack.

Second Cabin

The second cabin is situated on the port side, has a generous sleeping area, good natural light from porthole as well as from the skylight and also incorporates a seat. Under the berth is additional storage as well as a hanging cupboard.

Heads

The marine toilet is situated on the lower level in front of the helm station. In this compartment there is a marine toilet, sink, pull out the shower with a shower pump.

Remarks :
