# Bayliner Bayliner 265

## Broker Remarks

This Bayliner Sunbridge 265 sports cruiser is a very clean well maintained boat she has serviced regularly & mostly been winter stored on the hard standing with the Tonneau winter cover fitted. She also has a removable canvas sun canopy/full cockpit enclosure which is great for those cooler days as it gives all weather protection.

The Bayliner 265 also has an integrated swim platform with retractable swim ladder & transom access. This is great when berthing as the platform is easy to jump on & off.

She has an electric anchor windlass for anchoring a 100lb anchor. Raymarine electronic equipment is fitted.

The 265 is powered by a 170hp Volvo Penta engine, which is economical, reliable & easy to maintain. That Volvo Penta engine is a real gem & easy even when it comes to maintenance, economical!!

The 265 sports cruiser berths five with spacious layout and 6'3" headroom, she is well-equipped internally with good accommodation heads & galley.

Her inventory below decks is very good she has a microwave, electric hob, refrigerator with ice box hot & cold pressurised water, there is an excellent sized heads with shower all with hot water. There is ample storage and the saloon table converts to give a large double berth.

The owner has a genuine reason for the sale as the family would like to move onto some<sup>th</sup> after having a great introduction to boating with this Bayliner.
