Jeanneau Jeanneau Sun

Broker Remarks

This Jeanneau Sun 2000 comfort is a well maintained example of this popular trailer sailor. She is on her third owner from new and she is in excellent condition, stored ashore every winter. The current owners have maintained the boat to a very high standard, the trailer has been adapted to make life even easier, with more rollers to guide the boat where it needs to be when launching and recovering. The Jeanneau Sun 2000 is a perfect starter yacht which can offer leisurely day sails or fun with local club racing. She brings together all of the strong points of recreational sailing; hassle free preparation, easy transportation and launching, fine hull lines stability and speed as well as a large cockpit with creative use of interior space. The Jeanneau Sun 2000 has an integral centreboard and lifting rudder; she is a perfect river and estuary sailor, or take the opportunity to stop on the local beach.

networkyachtbrokers.co.uk

Accommodation:
