- **Engine Make:** Honda
- **Horsepower:** 5
- **Drive Type:** Outboard

Hunter Duette 23

Broker Remarks

This is a very rare Hunter Duette lift keel yacht, she had a serious overhaul last season and looks great for it, this little pocket cruiser suits somebody who is sailing on a budget, as with her size, she does not cost much to moor or yard store in the winter months, when cruising she is cheap to berth at marinas overnight or during a weekend, but she is a very capable coastal cruiser with a good turn of speed and good sea keeping qualities. This Hunter Duette benefits from having copper coat antifoul, which lowers to cost of antifouling that you would need to do normally. Her hull condition is excellent with very few blemishes she is only on her second ownership from new and has been maintained professionally. Contact our sales office today to grab yourself a bargain!
