- **Heating:**

# Hunter Duette 23

## Broker Remarks

This is a very rare Hunter Duette lift keel yacht, she had a serious overhaul last season and looks great for it, this little pocket cruiser suits somebody who is sailing on a budget, as with her size, she does not cost much to moor or yard store in the winter months, when cruising she is cheap to berth at marinas overnight or during a weekend, but she is a very capable coastal cruiser with a good turn of speed and good sea keeping qualities.

This Hunter Duette benefits from having complete antifoul, which lowers the cost of antifouling work that would need to be done normally. Her hull is in excellent condition with very few blemishes or marks. She has been in the hands of a professional owner from new and has been well looked after. Contact us for more details.
