Catalina Catalina 250

Broker Remarks

This Catalina 250 is a very good example she has been well maintained and her condition shows this, the owner has kept her in fantastic condition. The Catalina 250 offers so much for a 26 foot yacht, she has excellent accommodation for up to 4 people with two large double berths, she also has an superb sized heads for a yacht of this size. There is ample space in the cockpit and this boat comes with fitted cockpit cushions which are in top condition , which allows for a spacious entertaining space that you do not usually get on smaller Yachts. She comes with a well maintained Yamaha 8hp four stroke engine, this pushes her along well and is very reliable, it has a separate throttle to adjust the speed which is positioned in the cockpit like most other yachts with inboards would have.
