## Broker Remarks

This Mirage 28 mark two for sale with Network Yacht Brokers Plymouth is a great little starter boat for somebody, the owner has upgraded and maintained her to a good level with safety at sea being his first priority! The owner has most recently upgrades the canvas stackpack, new genoa, Plastimo 4500 2 burner hob, grill & oven.

When the owner bought the boat he had the keel dropped and new keel bolts installed, this was done as a precautionary measure to ensure the keel lasted for another 30+ years and to give him the longevity of the bilge keel. The owner has also had the boat repainted in June 2012, against the old and the old an. The

Remarks:

I bought Reflection when she was based in Weston super Mare and primarily used for cruising I travelled along the Pembrokeshire coast, Isles of Scilly, Channel Islands, North and South Brittany. The boat has only had two owners since being commissioned in 1980, the previous owner had her from new and I purchased it 2011.

She has always been wintered ashore from October to March, the previous owner and I were members of Weston Bay yacht Club, W-s-M, hence knowing the history and boat.
