Moody Moody 34

Broker Remarks

This is an excellent example of a Moody 34, she has been in the same ownership for over 20 years which is very rare. The care that the owners have given to this yacht is first class and the condition has benefited hugely from their commitment to this yacht for so many years.

There have been numerous upgrades that have been made throughout the years, these are all detailed in the boat spec.

The Moody 34 was a very popular model for its size, such good interior volume for a yacht of this size.

The boat is currently berthed at La Rochelle.

the trip back from La Rochelle.

We have owned Osprey for 21 years, she is a lovely example of a Moody 34 which is now for sale solely because a larger boat is required to accommodate grandchildren for family holidays. Osprey has proved a brilliant compromise between comfort, performance and safety. She is easily sailed single handed and achieves fast passage speeds by motor and sail. The boat has been kept to a high standard of maintenance and appearance and has just about every possible extra. She has been kept ashore every winter under a bow to stern custom-made cover and the sails and all canvas are removed annually for maintenance and valeting.
