Opening portlights

Remarks :

The Beneteau First 33.7 is a fantastic model. She has excellent performance as well as a good mix of comfort. This is the three-cabin layout with twin double aft cabins, forward double cabin and forward heads. This Beneteau First 33.7 has the luxury of diesel fired cabin heating and hot and cold pressurised water.

The current owner has owned the boat since 2007. There have been numerous upgrades and maintenance schedules for this boat in its current ownership.

There are a couple of performance upgrades that this yacht has, the first is the two-blade folding propeller, giving at least 1/2 a knot extra speed and the second being the Lewmar mainsheet traveller, this traveller spans the width of the whole cockpit rather than just the width of the cockpit floor. This obviously allows more adjustment with the mainsail increasing the performance capabilities of sail trimming.

The current owner is an experienced yachtsman. The cruising grounds covered in the boat are mainly the Southwest coastline, Channel Islands, Scilly Isles, Brittany, Cherbourg, the Solent and also completed a round Britain trip in 2015. The boat has always performed well and never let the owner down!

This Beneteau First 33.7 comes with a full inventory, she is ready for a new owner to step onboard a sail away, items included are a comprehensive safety equipment package, a two year old Honda 2.3hp four stroke outboard engine, inflatable dinghy and much more. Should you wish to view this yacht, please contact our sales office to make further arrangements.

Owners Remarks:

Family and friends have enjoyed sailing Watermark. She is a comfortable, spacious and an airy cruiser, with a respectable turn of speed, ensuring landfalls are made in good time! She has served us well, and enabled us to comfortably circumnavigate Great Britain over a 4 month summer cruise.

Reluctantly having to sell her as family commitments now reduce the time we can use her.
