## Bavaria 30 Cruiser

### Broker Remarks

The Bavaria 30 Cruiser is a well thought out and well designed sailing yacht. everything about this boat is designed to be easy to use and will be ideal for those wanting to sail with a young family or those wishing to downsize once the "crew" have flown the nest. Although she is a 6-berth cruiser, she is more suited to four people with an occasional extra two.

The Cockpit is neat and self contained within easy reach of the helm. The trimmed wheel, electronic beautifully made cockpit. Moving around moulded rail

**Another boat sold by  
Network Yacht Brokers**

The yacht has been based on fresh water since new but has an inventory that will suit coastal cruising. As well as the warps and fenders that you would expect there is cabin heating, a bow thruster, comprehensive electronic navigations aids and a brand NEW rubber dinghy.

## Accommodation

Below decks is welcoming and comfortable. The combination of light wood veneers and blue fabrics works well. There is lots of natural light thanks to the numerous port lights and deck hatches. Be it night or day this is a pleasant space to relax with a drink or a good book and while away the hours. For those of you incapable of sitting still or afraid of the silence then there is a CD/radio with speakers and a TV.

Galley to port with gimballed gas oven, top loading fridge unit and circular stainless steel sink with pressurised hot and cold water. There is also a combination microwave oven for reheating or enjoying a ping meal. Opposite is the chart table with forward facing seat and switch panel

Aft is the heads compartment with holding tank, vanity unit and removable faucet throne

Main saloon with

Either side

doubt

The boat is kept warm and dry thanks to the Diesel fired Eberspacher heating system

## Mechanical and Rigging

Vessel powered by a Volvo Penta D1-20 with sail drive unit. This 18hp power unit has been well maintained and only ever had fresh water through it. Engine housed in a sound proofed compartment beneath the companionway steps. This allows all round access for servicing and daily checks. What is unusual about this yacht is the addition of a bow thruster. This makes manoeuvring in tight spaces a breeze.

**Another boat sold by  
Network Yacht Brokers**

12/240V system with bank of two batteries. these are recharged via the engine alternator and the smart battery charger when attached to the shore.

**Another boat sold by  
Network Yacht Brokers**

Well equipped yacht with an inventory suitable for inshore and coastal waters. The addition of a life raft and other safety equipment will allow offshore adventures to take place.
