MERCU

Mechanical and Rigging

Construction:
GRP constructed hull with moulded strakes for increased grip.
Commercial specification 1300 gsm thickness Hypalon sponsons in black
Sponsons fitted with protective D fendering and are reinforced at bow section and 100mm above and below the rubbing strake. Chambers fitted with overpressure release valves.
Uncluttered deck finished in a moulded non-slip. 4" diameter elephant trunk style deck drainers at the transom.
Half tube height raised anchor locker in the bow with Sampson post. Tube mounted roller fairlead for anchoring.
Aft deck water sump fitted with Whale Supersub Smart 650 automatic bilge pump.
Heavy duty double tube A frame with navigation lights and water sport towing point.
Offshore Console in black complete with front seat locker, grab rail and spray screen
Ullman jockey Biscaya Suspension seats optimise body posture and minimise shock when slamming.
Vessel stored ashore each winter undercover to reduce weather degradation.

Engine & Electrics:
Mercury Verado 300 hp, 4-stroke outboard with electro-hydraulic steering and stainless steel prop.
The engine has completed around 100 hours and has been maintained by local Mercury/mariner agent.
Digital shift system and digital engine management gauges.
Electric start with power trim and tilt.
Fuel is stored in a 60-gallon stainless steel fuel tank beneath the cockpit. Fuel filler incorporated into the console.
Water separating fuel filter, electronic fuel sender with gauge and emergency shut off valve.
Six-way electrical distribution box with battery isolator and fuse board.
12V battery recharged via engine alternator.

Accommodation

Remarks :

Ribcraft 7.8m Commercial specification RIB with fully serviced Mercury Verado 300hp outboard and Rapide twin axle roller coaster trailer. Ribcraft build serious boats and have among their clients the British Military, Fisheries protection and supplied the London Organising Committee with the craft for the very successful Olympic and Paralympic games held in the UK in 2012.

This is a well equipped boat and will appeal to both leisure and commercial users. Top grade construction materials including heavy duty Hypalon tubing and heavy glass lay up. Ullman Biscaya Suspension jockey seats are designed to optimise body posture and protects the crew from injury when travelling at high speed in a chop. Offshore Console offers protection and features forward seat with padded backrest, seat cushion and storage below. Anchor locker in bow with bow roller and Samson post.

Garmin touch screen GPSmap 751 with preloaded UK charts, Icom M323 DSC/VHF radio and Ritchie compass.
