Mechanical and Rigging

Construction:

GRP constructed motor cruiser with hard chine giving greater stability both at anchor and at speed. Flared bow and traditional V shape minimises on deck spray almost making the windscreen wipers redundant. Smart, navy blue hull with contrasting decals. Transom with teak laid individual bathing platforms port and starboard. Starboard platform has a telescopic, 4-step ladder and a stainless steel hand rail. Large self bailing cockpit with sliding aft bench and additional cockpit seating with cushions. This converts to a large sunpad with the use of the saloon table and additional slot in piece.

GRP wheelhouse with curved toughened glass windscreen The boat has been specified with twin wipers and washer system. The side windows are Perspex with inset sliding opening windows. Additional opening hatch in the wheelhouse roof increases air circulation and additional natural light. Mooring cleats fitted fore, aft and mid ships. Large capacity anchor well with electric windlass. Anchor with chain and warp included.

Engine & Electrics:

Vessel is pre rigged for the New Generation Yamaha 150-250hp with electronic controls and CL5 display. Included in the price is a brand new 200hp option but a 175hp could be fitted should that be more desirable. Whatever engine you decide on will include a 5 year warranty from Pdi and registration. Flush mount single lever engine control. Sports steering wheel. At 4500 rpm, speed is 21 knots and consumption is 37 litres per hour. 280 litres fuel capacity in rotomolded tank. Fuel is pre filtered before entering engine.

12V system. Shore power connector with battery charger. 12V battery included and fitted during commissioning.

Inventory

Boat is specified with the following options. This is a good spec and will allow for comfortable cruising with friends and family.

- **Legende spec with smart Navy blue hull**
- **Trim level Premiere 2020** which includes mid ship cleats, sliding hatch in wheelhouse roof, sliding opening window, cockpit cushions for the aft bench seats, 2nd electric windscreen wiper, screen wash system and cockpit shower
- **Electric windlass**
- **Mooring lines and fenders**
- **Anchor with chain and warp**
- **U-shaped cockpit seating with table and sun pad cushions**
- **Teak laid swim platforms**
- **Bathing ladder**
- **220V shore power with battery charger**
- **Luxury galley**
- **Hot water shower in heads**
- **Double berth conversion for dinette**
- **Marine toilet with holding tank**
- **Yamaha pre rig including CL5 Display**

Accommodation

Triple sliding door to saloon from cockpit. This opens up the saloon as an extension of the cockpit. Galley to starboard with black worktops with built in cup holders. Stainless steel single burner gas hob. Stainless steel sink with pressurised fresh water.

Opposite galley is the dinette with large wooden table. the backrest on the forward seat cleverly pivots to make a forward facing co pilot seat. The dinette converts to a large double.

Forward of the helm is the large heads with hot water shower, sink, sea toilet and holding tank. Pressurised water faucet. 12V ceiling light.

Forward berth with storage below. 12V lighting and 240V socket. All windows and hatches have blackout curtains which offer privacy and protects the interior from UV damage.

- **Hot water shower in heads**
- **Sea toilet with holding tank**
- **luxury galley**
- **Full interior curtain and blackout blind set.**
