Mechanical and Rigging

Yamaha are the engine of choice by the RNLI and we don't disagree. Our preferred engine is the Yamaha F200 with electric shift (200HP) which will be fitted to this Cap Camarat giving blistering performance and a top speed circa 43 knots!!

Inventory

Front cockpit cushions. Aft cockpit cushions. Storage net in the cockpit. Rod holders. Fusion audio. Electric windlass. Ski mast. Teak laid swim platforms. Large bolster seats. Water system with cockpit shower.

Accommodation

Remarks :

This Cap Camarat 6.5m Centre Console in now is its second generation and is fantastic boat. Good for water sports with the ski tower, fishing with the rod holders or just family cruising the Cap Camarat is extremely versatile. With plenty of seating forward or aft, wide deep decks it's a solid, safe well performing boat. This example has the latest electronic shift (fly by wire) engine controls, giving supremely smooth and precise fingertip control of the powerful 200HP Yamaha outboard. She will be good for over 40 Knots in the right conditions.

Finance is available, please ask, subject to terms and conditions.
