Remarks :

Morgan Giles 30 for sale. The Morgan Giles 30 was one of the last boats designed by the celebrated Morgan Giles yard in Teignmouth, being introduced in 1964. After the demise of the yard the yacht continued to be built in Somerset in some numbers through to 1996. The Morgan Giles 30 has a fine reputation as a graceful sea-kindly yacht which will always look after you in a blow. Classic look, gorgeous lines and a safe solid feel about her but she is GRP so won't require the maintenance of her equally lovely wooden cousins. Below decks she has a wonderful cosy feel with lots of wood and a traditional lay out which includes plenty of storage space and a Force 10 solid fuel heater.
